I. General and Revenue Secretary's docket No. 2797—Med. F. 86-06-2, dated 8th October 1906, requesting submission of a report with the resolution of the District and Municipal Boards, as to whether the Boards are willing to pay the monthly contribution of Rs. 200, and if so, from what source, towards the upkeep of the Hospital for Women and Children, under construction by the Wesleyan Mission at Hassan.

Resolution.—Resolved that the Board, while fully recognising that the Wesleyan Mission Female Hospital in Hassan is deserving of help, cannot afford to contribute more than Rs. 200 per annum towards the institution, since the District Board already contributes two-third cost of the Government Female Dispensary at Hassan, amounting to Rs. 394 per annum.

Further resolved that provision be made for the extra cost in the ensuing year's District Fund budget, after obtaining Government sanction to the same.

II. Read Government Proceedings No. 3455-65—Med. (297-05)-4, dated the 2nd November 1906, requesting the submission of the resolutions of the District and Municipal Boards, as regards the proposal of the Senior Surgeon for granting mileage to midwives, for journeys performed by them to conduct labor cases, outside their head-quarters.

Resolution.—Resolved that the Board while recognising the necessity for payment of mileage to midwives, when they attend the houses of the poor, who are unable to provide conveyance for them, regret that owing to paucity of funds, it is not possible for the present to make any provision for the same.

III. Read Government Proceedings No. 3613-21—Med. (96-06)-2, dated 5th November 1906, requesting the submission of the resolution of the District Board, concerning the proposal of the Senior Surgeon in the matter of opening branch Dispensaries in certain places in the district, and to state whether the Board are willing to bear the charges of the establishment and medicine required for such Dispensaries.

Resolution.—Resolved that as no extra establishment would be necessary, and that as the cost of medicines and travelling allowances of the Hospital Assistants are not defrayed from District Funds, the Board are of opinion that the extra charges are not such as should be defrayed from such funds.

IV. Read Government Proceedings No. 3722—L. B. (141-06)-2, dated 8th November 1906, making certain observations on the resolution of the District Board, in regard to composition for the toll payable by contractor Alasingrachar as not being in accordance with the rule, as such composition must be by payment of a lump sum to be agreed upon and not by a reduction of rates, etc.

Resolution.—Resolved that the Board compound with toddy contractor Alasingrachar for Rs. 112-8-0 and with tonga contractor Baba Sab for Rs. 45 (concerning conveyances other than mail tongas) for a period of six months.

V. Read Government Proceedings No. 2351-2, dated 6th November 1906, passing orders in the matter of granting as a gift, the chattram building at Gandasi, as a musafirkhana for the convenience of the travelling public, on the understanding that the cost of keeping the building in good repair, be defrayed by the District Board.

Resolution.—Resolved that one rupee per mensem be provided from the District Funds in the budget of the ensuing year, to be added to the pay of the existing sweeper (on Rs. 6 per mensem) of the Gandasi travellers' bungalow, so that his services may be utilised for looking after the musafirkhana also, and that Government sanction be obtained to the same, for being provided in the ensuing year's budget.

VI. Read Government Proceedings No. 3646-7—L. B. (153-06)-2, dated 7th November 1906, recording the resolution of the District Board, approving of the sale of the inspection lodge at Arehalli, to Mr. Habibulla Sahib, who, it is presumed, will maintain the building for the purposes of a musafirkhana.

Resolution.—Recorded with the observation that the subject be adjourned to the next meeting as Mr. Habibulla Sahib is not present at this meeting.

VII. Read Government Proceedings No. 3783-97—L. F. 357-92-34, dated the 9th November 1906, declining to sanction the proposed conversion of in-patient wards of Local Fund Dispensaries into quarters for Hospital Assistants.

Resolution.—Recorded.

VIII. Read Government Proceedings No. 3832—L. B. 162-06-2, dated 10th November 1906, forwarding for report, in consultation with the District Board, a copy of the Coorg Commissioner's letter, in the matter of construction of bridle paths, on roads from Somwarpet, joining Arkalgud-Konanur and Saklespur-Bisle Ghat roads, lying within this district, and requesting information as to whether the Board are willing to undertake the work within their jurisdiction, and if so, when they will be able to complete it and what would be the cost of opening the bridle-paths referred to, and how it will be met.

Resolution.—Resolved that after discussion of the subject before the Board, and consulting the Executive Engineer, a sum of Rs. 2,751 will be necessary as per Executive Engineer's plans and estimate for opening out the two bridle-paths.

Further resolved that as this District Board cannot possibly defray this cost, Government be moved to kindly sanction a grant of the amount from Local Funds General, as these bridle-paths could be very easily converted into cart-tracks hereafter and would be very useful communications between existing main roads. If Government be pleased to sanction this grant, the work could be completed within a period of one year.

IX. Read Government Proceedings No. 3984-91—L. B. (294-05)-15, dated 16th November 1906, ordering that the question of fixing the fee on every notice of demand served on the owners or occupants of houses in Village Unions, may lie over till sufficient experience of the working of the Local Boards Rules have been gained.

Resolution.—Recorded.

X. Read Government Proceedings No. 4369—L. B. (240-06)-1, dated 26th November 1906, stating that as a large sum of money is being spent on improving the Bisle ghat road and as it is difficult to find funds for maintaining this important road, it seems desirable to establish a toll-gate on the road about the spot indicated in the sketch, and requesting that the matter may be placed before the District Board and then submit a copy of their resolution.

Resolution.—Resolved that this subject be adjourned to the next meeting, as the Manjarabad Taluk Board's resolution has not yet been received.

XI. Read Government Proceedings No. 3030-39—San. (68-06)-3, dated 23rd October 1906, circulating for opinion, Senior Surgeon's letter proposing to retain Work Inspectors in addition to Sanitary Inspectors, on the ground that to impose Work Inspector's duties on the Sanitary Inspector must largely handicap that official in the performance of his itinerate duties.

Resolution.—Resolved that the Board are of opinion that the District Funds cannot possibly meet the cost of employing both a Sanitary Inspector and a Work Inspector for each taluk, and that there is no alternative but to require the Sanitary Inspector to do the duties of the present Work Inspector, in addition.

XII. Read the General Assistant Commissioner's memo No. 756—899, dated 7—13th October 1906, submitting the report of the Channarayapatna Taluk Amildar together with the resolution of the Sravanabelagola Union, requesting that arrangements be made to credit the other half of the Union income to the District Funds, (which is now being given away to the Matt) so as to enable the Union Panchayat, to provide street lamps in the Union, during dark nights.

Resolution.—Resolved that the subject be adjourned to the next meeting, as previous correspondence on the subject in the Municipal and Muzrai Departments has to be called for and looked into.

XIII. Read Arkalgud Taluk Amildar's report No. 371—1016, dated 25—27th October 1906, submitting the resolution of the Taluk Board, recommending the sanction of a sweeper to the Hebbale village.

Resolution.—Resolved that as there are many larger villages than Hebbale in the several taluks of the district, where there are similar requirements, the resolution of the Arkalgud Taluk Board will be considered along with those requirements when more funds are available.

XIV. Read Hassan Taluk Amildar's report No. 320—1257, dated 3rd December 1906, submitting a list of necessary articles for the use of the Vaidyasala at Grama.

Resolution.—Resolved that as a sum of Rs. 50 has been provided in the budget, for supply of furniture, etc., to the Vaidyasalas at Grama and Harnahalli, necessary articles be now supplied at a cost of Rs. 25 each.

XV. Read the General Assistant Commissioner's yadi No. 927—1083, dated 9th November 1906, submitting an estimate for the purchase of dust-bins for the use of Hirisave village.

Resolution.—Resolved that the estimate of Rs. 35 be sanctioned for the supply of dust-bins, and that the cost be met out of Rs. 300 under "VI Conservancy and sanitary charges (*b*) Removing manure pits and filling cess pools."

The villagers are reported to have done earthwork excavation to the value of Rs. 300, and have also paid contribution of Rs. 50 which is reported to be held in deposit.

Resolution.—Resolved that for want of funds this year, provision be made for this well work in the ensuing year's budget.
